PROCEEDS OF CATALOGUE SALES DONATED TO SUNERA FOUNDATION
FOR THE INTEGRATED THEATRE WORKSHOP FOR DIFFERENTLY ABLED YOUTH

3 MAY 2002 - 23 MAY 2002

Se alcune vite formano un cerchio perfetto, altre assumono delle forme
che non possiamo prevedere né comprendere a pieno.

Il dolore è stato parte integrante del mio percorso
ma mi ha fatto capire che
niente è più prezioso di un grande amore:
per il quale sarò sempre grato di a vita:
l'arte.

*If some lives form a perfect circle,
others take up different shapes
we cannot predict nor fully understand this.*

*Pain has always been part of my path in life,
but it made me realize that
nothing is more precious than my great love of art,
for which I am always grateful.*

Nell'arte è difficile dire qualcosa che valga quanto non dire nulla...
In art it is difficult to say something equivalent to nothing...!

Così come il sole colora i fiori, l'arte colora la vita.
Like the sun colours the flowers, art colours life.

L'arte è amore in ogni gesto
Art is love in all its gestures.

L'arte è in eterno movimento della bellezza;
spirato è il suo scopo più alto!

*Art is eternal movement of beauty;
to inspire is its aspiration.*

L'arte è un amante geloso
Art is a jealous lover!

L'ispirazione è lavorare ogni giorno.
Work is inspiration!
